How to find the SWID number.

Here you have the possibility to view the whole process via video, simply click on the play button:

You may have to update your Acrobat Reader Adobe Reader X (10.1) is recommended, and is available as freeware..

Access the Navigation Menu. Select the option "Settings".

The Settings Menu is listed on three pages. Press the scroll button to change to the last page (3).

Select the option "About".

Select the option "Maps".

Select the option "Licenses".

Select the option "SWID".

SWID, software identification number, will be shown. See example: VXTM-VP2Z-L1DK-T84P Select the green "OK" button to leave this information screen. Select the Menu button in the Licenses screen in order to go back to the Navigation Menu.
